

Dear Parents:

Another terrific school year has come to an end at Tate's School. We would like to wish everyone a fun-filled summer and to remind you of the importance of incorporating reading into your child's summer activities.

Remember, you may use the Internet to search for AR books within your child's ZPD range at www.arbookfind.com. The advanced search may be used to search for a list of books based on grade level, book level, or topic. Also, the Association for Library Service to Children (www.ala.org) website is an excellent source.

A summer reading list will not be provided. Instead, please allow your child to read books based on their personal interest and reading level. A summer reading log is attached to record the title and author of each book read. Please send the log with your child to school at the beginning of the 2010-2011 school year in exchange for a Certificate of Recognition. See you in August!

Sincerely,
Second Grade Language Arts Teacher
